

# design SPOTLIGHT

## John Grable Architects Honored at AIA San Antonio People + Place Awards

John Grable Architects received an Honorable Mention for the project titled “Green Light,” a home that reflects Grable’s philosophy of celebrating the relationship of man and nature. The Place Awards recognize design excellence and help increase public awareness of the importance of architecture in everyday life. The new People Awards celebrate professional achievement and community leadership of distinguished chapter members.

## Local Firms Selected as Winners of the 2017 Residential Architect Design Awards

A.Gruppo Architects and Alterstudio were named among the 18 winners nationwide of the *Residential Architect Design Awards*, which celebrate exceptional residential design. Their projects were described as encompassing an incredibly high level of, and attention to, craft. [www.agruppo.com](http://www.agruppo.com), [www.alterstudio.net](http://www.alterstudio.net)

## Palmer Early Brings Lighting Design to ATX

Nellcote Studios is a lighting design workshop under the artistic direction of Austin native, Palmer Earley. After years of living abroad, Earley has returned to his home in Texas and is exploding on the Austin design scene. His collection features handmade designs incorporating materials like brass, marble and lucite, and includes desk lamps, chandeliers, pendants and sconces. Prices in the collection range from \$150 to \$6,400. Bravo Interior Design will be the first to carry the brand in Texas.
