Leading Design Studio for Interior Designers Debuts its First Podcast, "The Interior Collective"

Hosted by Anastasia Casey, founder of IDCO Studio and Design Camp, an immersive four-day retreat created specifically for the interior design community, The Interior Collective podcast expands on the brand's mission with interviews from interior designers and industry tastemakers about the practical realities of running a creative business. The first season kicked off Friday, May 20, with two episodes: an interview with architect and interior designer Marie Flanigan and an episode featuring Casey's insights on hiring. IDCO.com

The Pillow Goddess™ Expands

Award-winning luxury pillow designer, Deborah Main, The Pillow Goddess™, announces an exciting collaboration with nationally-recognized interior designer Robin Baron of Robin Baron Design. The two have teamed up to launch the one-of-a-kind UnZipped Pillow Collection. The fashion-forward pillow collection is proudly hand-crafted in the USA at Deborah's Austin, Texas studio and available in multiple sizes and colors. Each pillow features a fully functioning exposed zipper, revealing a sneak peek pouch with a pop of contrasting color. Paired with exposed hardware, the swish of a handmade suede tassel is a design detail that shakes up home décor with a seductive and sleek look. RobinBaronDesign.com, ThePillowGoddess.com

17th Annual NARI Tour of Remodeled Homes September 24 & 25, 10:00am to 6:00pm

The NARI Tour of Remodeled Homes is the best way to touch, see and experience the quality of the product the members of the National Association of Remodelers deliver. Meet the builders and their teams in person to gain insight into their projects and processes. Every home differs in style and character. This year's remodelers include

CG&S Design-Build, Remodel Boutique (2 homes), Realty Restorations, LLC, Hartel Homes (2 homes), Wildcreek Custom Renovations, Adams Company, Bes Builder and Revent Builds. Purchase tickets at AustinNARI.org

Mighty Dog Roofing Expands To Austin

For more than 20 years, Mighty Dog Roofing has been providing high quality roofing repairs and replacements across the country. The newest office in North Austin maintains this reputation, with additional services including gutter, siding and window installations for both residential and commercial customers. Their drone technology assists with insurance claims and inspections, a curb appeal visualizer ensures the right color palette selections, and their certified experts are on-call 24/7 for emergencies. What sets Mighty Dog apart from other roofing companies is the Mighty Dog Pledge of Top Dog Communication, On Time Service, Cleanliness and Integrity with every job. San Antonio Street Art Initiative (SASAI) Celebrates 60 Murals

SASAI is an independent nonprofit charity that focuses on two areas of advocacy: education in career development and mural programming. Since November of 2018, SASAI has been leading the way for street art and murals in San Antonio, working diligently towards creating the "Largest Outdoor Gallery in Texas™." To date, SASAI has completed over 60 murals and has advocated for the careers of more than 45 artists, and their projects have beautified neighborhoods and contributed to economic development and fair-paying jobs for local talent. Visit their website for maps and photos to create a self-guided tour. SanAntonioStreetArt.org

By Paul Garson, one of 17 SASAI pillars under the highway on the corner of East Quincy Street and North St. Mary's Street.
